3. Agenda

Topic	Discussion
Feedback	- employee absence sorting based on ticket status. - schedule needs to be colored if it is correctly assigned. (visual aspect). - on schedule overview show missing employees in the schedule more clearly. - on schedule overview make it so they can schedule missing employees easier - manual scheduling (already possible). - Website(good) - Weekly report(good) - Statistics(good) - Is it possible to schedule in the overview screen? - Reduce unnecessary actions (click)as much as possible. - European barcode implementation(13 digits)
